Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Talia Cormier)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In Code Name Cadillac we deal with the typical double-crossing scenario we often find in espionage as well as the use of pseudo forces to create a false impression and trail on what actually happened or did not happen. Confusing the issue is a spy craft speciality which they all excel at and alarming games are played all the time. It is all about deniability for the turds (politicians, we call them turds in GMJ Books, they float in what they talk) and the spymasters themselves and it gets complicated because of the stupid games in the background. In a previous book, Code Name Sanford, I explained how different intelligence agencies work together for the greater good or so they say, each has his own agenda and only God knows what that would be. However, the spymasters do meet for tea and discuss God knows what since they would deny even meeting and must report all contacts. Failure to do so and or failure to report a recruitment attempt can and will be used as a reason for distrust and then execution may follow, depending on who you work for. Yet, at such meetings, as I pointed out numerous times in the GMJ Books, no outright lying takes place and there is an honour code working. Historically, the KGB head called his CIA counterpart when President Kennedy was assassinated to assure him that the USSR had nothing to do with it, he was believed. But it also happens that formal handshakes are ignored and other shenanigans start. Such one-sided actions may have terrible consequences on operations. When the betrayal is discovered and it will be, harsh words are exchanged if lucky...
