

The Great Reduction (Paperback)

By MR Francis Blunt

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the official sponsor of a new world order. An autobiographical epitaph. Travelling aboard the stolen Titanic II with a group of professional alcoholics, this bitterly twisted tale of cynical fantasy and comedic adventure takes us through multiple genre across a vast, deserted and horribly deep, pointless ocean. Fresh out of the Diogenes club, London. We find ourselves making an unscheduled, maiden voyage on the newly copied, built and recently stolen Titanic II in Southampton. From here, our 3 properly inebriated adventurers take to the high seas leaving behind a veritable treasure trove of new opportunity. It seemed a good idea at the time. Set in the future when modern technology and science fiction become a factual reality, this ridiculous and dramatic tale also tells of a freak, global event befalling the Earth removing 96 of its human inhabitants. The 4 permitted to remain, suspect the implementation of a new world order but, so far have no real proof of what actually took place on that splendid February morning and in all honesty, don't really care. Some would...

Reviews

It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and he encouraged this pdf to understand.

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
