

The Night Battles: Witchcraft and Agrarian Cults in the Sixteenth and Seventeenth Centuries (Hardback)

Filesize: 6.33 MB

Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Kaycee McGlynn)

THE NIGHT BATTLES: WITCHCRAFT AND AGRARIAN CULTS IN THE SIXTEENTH AND SEVENTEENTH CENTURIES (HARDBACK)

[DOWNLOAD PDF](#)

Macat International Limited, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. In *The Night Battles*, Carlo Ginzburg does more than introduce his readers to a novel group of supposed witches - the Benandanti, from the northern Italian province of Friulia. He also invents and deploys new and creative ways of tackling his source material that allow him to move beyond their limitations. Witchcraft documents are notoriously tricky sources - produced by elites with fixed views, they are products of questioning designed to prove or disprove guilt, rather than understand the subtleties of belief, and are very often the products of torture. Ginzburg placed great stress on variations in the evidence of the Benandanti over time to reveal changing patterns of belief, and also focused on the concept of 'reading against the text' - essentially looking as much at what is absent from the record as at what is present in it, and attempting to understand what the absences mean. His work not only pioneered the creation of a new school of historical study - 'microhistory' - it is also a great example of the creative thinking skills of connecting things together in an original way, producing novel explanations for existing evidence, and redefining an issue so as to see it in a new light.
