John Hunt Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Miracles Are Made of This is a contemporary story about wisdom; the one and only ingredient which enables miracles to happen. The central character is female and she has found wisdom. It was there all along, in the one place she had never previously looked - within her. Her success was achieved through a training programme designed for her by wise people. Miracles Are Made of This charts the next phase in her never ending story, which requires her to devise training programmes for others, so that they, too, can connect with their own innate wisdom. The tasks and exercises she sets for the people she meets are all in the context of their day to day lives, adhering to the fundamental principle that in the midst of the apparently ordinary the extraordinary will be found.
