Brand New Book ***** Print on Demand *****.Excerpt from Farm Demonstration Monthly, Vol. 24: December, 1916 The Fourth Annual Conference of County Agent Leaders of the Northern and Western States was held at Washington, November 10 to 14, inclusive. This year, as last, the conference was held in connection with a Shilar conference of the State agents in the Southern States. More than 100 men, including 30 extension directors as well as 40 county-agent leaders and assistant county-agent leaders from the Northern and Western States, and 46 State agents, district agents, and specialists from the Southern States, were in attendance. Only four States were not represented at the conference. All in attendance contributed freely of their ideas during the discussions and manifested a desire to get suggestions from all those present. The conference also afforded an opportunity for each leader to meet and discuss, informally, the particular problems of his own State with the county - agent leaders who have been especially successful in handling similar problems in other States.
