TGTS 2.0: THE GOSPEL / THE STREET: WHAT DOES THE GOSPEL OF CHRIST LOOK LIKE IN STREET CONTEXTS? (PAPERBACK)

[DOWNLOAD](#)

Movement Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Acts 17:16-34 for the street. Prompted by a hip-hop conference featuring members of the Cross Movement at Westminster Seminary (and prior encouragement from the late Harvie M. Conn), here's the stuff saints gonna have to go at to answer deep street thinker- / theologian-types. Everybody's a theologian whether they know it or not -- Kendrick Lamar, Ta-Nehisi Coates, Tariq Trotter, Ryan Coogler, Jordan Peele, Kenya Barris come to mind -- and Christians gotta be able to go with (and at) the imaginativeness with a satisfying ratiocinativity via the Word Incarnate (John 1:14). A street-oriented apologetic: Biblical, theological, sociological, cultural, anthropological, missiological and Christocentric. + What did Jesus rhyme - n how d He rhythmize? (He did - in 1st c. Palestinian forms n context) + How did Jesus reason and enlist imagination in street contexts? How might we go at it today? + How does Paul's thorough exegesis of Athens show up in his address to the Areopagus (Acts 17)? + What's goin' (n gone) on in street contexts? A street corner convo w/ Mykhael. + What kinds of issues-oriented approaches n content work best in street contexts? A deep exploration of the divide between the Church and street / hip-hop culture, TGTS 2.0 is singularly focused on Scripture's capacity for crossing said chasm. After mapping out Biblical and theological foundations (discovering numerous parallels with hip-hop culture and rap music), the author exegetes the street (following Nehemiah 1-2 and Acts 17:16-34), analyzing its worldview, value system, trusted armor, operational strategies, codes, etc., exhorting the saints to engage its challenges and uncertainties to discover God's hidden treasure (the imago Dei), tucked away in difficult, obscure places. A...
