

Center Places Cherokee Towns: Archaeological Perspectives on Native American Architecture Landscape in the Southern Appalachians (Hardback)

Filesize: 3.87 MB

Reviews

Just no words to explain. Indeed, it is actually play, nevertheless an amazing and interesting literature. Its been written in an exceptionally simple way and is particularly simply following i finished reading through this ebook by which in fact altered me, alter the way in my opinion.

(Leilani Rippin)

CENTER PLACES CHEROKEE TOWNS: ARCHAEOLOGICAL PERSPECTIVES ON NATIVE AMERICAN ARCHITECTURE LANDSCAPE IN THE SOUTHERN APPALACHIANS (HARDBACK)

The University of Alabama Press, United States, 2015. Hardback. Condition: New. 2nd ed.. Language: English . Brand New Book. In Center Places and Cherokee Towns, Christopher B. Rodning discusses the ways architecture and other aspects of the built environment, such as hearths, burials, and earthen mounds and embankments, formed center places within the Cherokee cultural landscape of the southern Appalachians from A.D. 1400 through 1700. Archaeology offers a rich framework for understanding a culture before its recorded written history. In Center Places and Cherokee Towns, Christopher B. Rodning opens a panoramic vista onto protohistoric Cherokee culture. He posits that Cherokee households and towns were anchored within their cultural and physical landscapes by built features that acted as center places. Rodning investigates the period from the first Spanish contact with sixteenth-century Native American chiefdoms in La Florida through to the development of formal trade relations between other Native American societies and English and French colonial provinces during the late 1600s and 1700s. Rodning focuses particularly on the Coweeta Creek archaeological site in the upper Tennessee Valley in southwestern North Carolina and describes the ways in which elements of the built environment were manifestations of Cherokee people and culture. Drawing on archaeological data, delving into primary sources dating from the 1500s through the 1700s, and considering Cherokee myths and legends remembered and recorded during the nineteenth century, Rodning shows how the arrangement of public structures and household dwellings in a Cherokee community both shaped and were shaped by Cherokee culture. The center places Rodning highlights in this rewarding study serve as points of attachment between Cherokee individuals and their communities as well as between their present and past. Rodning explores the ways in which Cherokee architecture and the built environment were sources of cultural stability in the aftermath of European contact, and how the...
