

Wulfrunian Footprints in Fife

By MR Robbie Kennedy Bennett

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.My poetic ancestral journey from my Wulfrunian upbringing to The Kingdom of Fife in Scotland. Inspired by the land of my late dad, a Fifer who met my mother in Aldershot Military Hospital in the late 1940s, married and settled in Wolverhampton. Fife was to become part of my life, walking the Fife Coastal Path and climbing the Lomond Hills, whilst searching my Scottish family roots. From the inland villages of Collesie and Ladybank, to coastal towns of Kirkcaldy and St Andrews then over the Tay to Dundee, another ancestral home. Being where my dad and his forefathers may have worked and lived gave a great inspiration to the writing of this book. All this and more in picture, story and ode by this man of thought and sometimes thoughtless Wulfrunian.

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excellent eBook and useful one. It can be really fascinating through looking at the period. You can expect to like just how the blogger created this publication.
