

Excavating Contractor 1920 Volume 14

By -

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 154 pages. Dimensions: 9.7in. x 7.4in. x 0.3in. This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 edition. Excerpt: . . . surveying the Downels Flat Basin on the Tuolumne River to put in a large dam. In spite of the fact that the people seem to be anxious to put through the Calaveras Dam Project at Valley Springs and have engineers at work in the field, this work is still being held up, due to financial reasons and difficulties with the large land holders. Reservoir site for the Honcut Irrigation District near Marysville has been approved according to F. M. Turner of Bangor, Secretary of the District This district is designed to supply about 40. 000 acres in Northern Yuba and Southern Butte Counties with water. The proposed reservoir will cover 800 acres of the Virginia ranch section and will be 120 ft. in height. It will be supplied with water from both the Feather and Yuba Rivers. Engineers have been working on plans for...
