Jet Fighters Coloring Book (Paperback)

By John Batchelor

Dover Publications Inc., United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. With the birth of the jet age at the end of World War II, military combat planes acquired new, highly efficient capabilities. This exciting, well-researched coloring book sends you flying high as you read about and color accurate illustrations of these historic aircraft. Forty-four finely detailed illustrations depict a low-flying U.S. F-117 Stealth fighter, an aircraft carrier-based F-18, a Tornado GR-1, a Russian-built MiG-15, a Northrop F-5, an English Electric Lightning, a Republic F-105D, and a host of others, including: McDonnell Douglas F-15 Mitsubishi F-1 Lockheed F-80 Shooting Star MiG-25 Foxbat De Havilland Vampire Grumman F9F Cougar Convair F-102 Dassault Mirage 3NG .and many more. Accompanied by fact-filled captions that provide a brief description of each plane, these clear and accurately rendered illustrations bring to life all the drama of the quest for air superiority. A special treat for coloring book fans, this spectacular collection of high-performance fighter planes will thrill any aircraft enthusiast.

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
