Reviews

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom. It's been designed in an exceedingly simple way and is particularly simply following. I finished reading this publication through which actually modified me, alter the way I really believe.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 88 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. This is a 8,000 words CLEAN story with an HEA. Whole Serial is part of a bigger plot. Check for other books in this serial. Officers Tara Winter and Michael Frante have caught some bad cases in their time as CID Homicide detectives, but never anything like this. As Tara works on her own to catch the Cyborg Strangler, having given up on the FBI investigation, she is sidetracked by the utter horror and depravity of the case she and Michael catch. The case both draws them together and pushes them apart. Tensions run high as neither of them can find much faith in humanity. They wonder: is what they do ever for the greater good ----- EXCERPT FROM BOOK Why were tweakers always such bad liars Gone to see a play Utterly ridiculous. And I come back to find that Kelli aint breathing. I fairly well shook her and tried to do CPR myself, but it was too late. The paramedics told me there wasnt nothing I could have done. Said that Lissa must have put a pillow over her, can you believe that Why would she do that to my baby I dont know maam. I dont know. Im going to need you to come back to the station and tell me that in more detail, will that be alright The woman nodded silently. Do you like cats I have a cat named Marlin in my car, and hed love to keep you company while I check out some stuff here. How does that sound Again, the woman nodded, and Tara lead her to the car and helped her get in the passengers seat. As if knowing...
