THE PROGRAM OF THE PARTY OF HITLER (PAPERBACK)

Blurb, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Program of the Party of Hitler, the National Socialist German Workers Party and Its General Conceptions. By Gottfried Feder. Translated by E. T .C. Dugdale. Written by one of the original founding members of the NSDAP, this booklet was the primary political document which underpinned the ideology and ideas of the future Nazi Party. Dealing with every conceivable topic-foreign policy, internal policy, property, usury, economics, race, Jews, culture, agriculture, citizenship, the military, and much more-this far-reaching document provides a sweeping and comprehensive look into the dramatic worldview of National Socialism. The main battle is one between two world-theories, represented by two essentially differing structures-the spirit which has created and is creative and the unquiet, grasping spirit. The creative spirit, deep-rooted, but superior to the rest of the world in spiritual experience, is carried mainly by the Aryan race; the grabbing spirit, without roots anywhere, aiming only at material things, commercial, is chiefly represented by the Jews. National Socialism, like anti-Semitism, regards the Jewish-materialistic spirit as the chief cause of the evil; it knows however that this greatest struggle in history must not stop short at merely destroying the Semitic spirit; which is why the great program of National Socialism goes far beyond the anti-Semitic desire to destroy, for it offers a positive constructive picture, showing how the National Socialist State of labor and achievement ought to appear when completed. Once this high aim is achieved, the National Socialist Party will dissolve automatically; for National Socialism will then be the entire life of the whole German nation. The NSDAP is not a political Party in the ordinary sense of the word, but is that section of the nation, which is confident and sure of...
