America Star Books, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book pertains to personal finance and business. Readers will learn about legal processes that have occurred recently and learn how to protect their privacy (and assets) from lawyers, investigators, and the government. Nine out of ten lawsuits in the world are filed in the United States. As a planner, he has seen innocent people lose everything as a result of a frivolous lawsuit. Many lawyers and financial planners are quick to recommend expensive, complicated trusts and partnerships as asset protection devices. This is the first book to describe in easy-to-read terms how anyone can protect their assets with affordable domestic and offshore structures. As a corporate lawyer, I can say with certainty that there has never been a better book to explain the use of corporations for asset protection. aDonald E. Hanson, Esq., Las Vegas, Nevada.
