Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For those Catholics, who wish to go beyond the Catechism but not dive into deep theological works, this book was prepared. It is not in order to follow the fashion of our hurried day with its predilection for outlines, condensations, and telegraphic style, but to fill the need of a class of Christians for whom the catechism is too little and theology too much, that we have set about compiling this brief DICTIONARY OF DOGMATIC THEOLOGY for laymen. It has been our desire, in this first attempt, to present an all-inclusive work, but we do not presume to have successfully accomplished this end. The readers will judge and their observations and suggestions will be a guide in any future attempts. Two able colleagues have collaborated with me, and others have been generous in their counsels: Professor Piolanti,...
