Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

THE WAR LESS CIVIL: AN AMERICAN SAGA 1864 - 1991 (PAPERBACK)

Lake Lore Press, LLC, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the Civil War to the Culture Wars, The War Less Civil is a panoramic American saga that begins in the fall of 1864 when Henry Rosenberg joins the Union Army despite the powerful objections of his pacifist wife, Augusta. The novel ends in 1991 after the conclusion of the first Iraq War. Intervening decades reveal the attitudes of Henry and Augusta s descendants toward war and peace, love and marriage, success and failure, all of which dramatically define their lives and family relationships. The first two chapters focus on Augusta s life on the home front, suffering the physical and emotional hardships of living without the husband who, she fears, will, at war s end, forsake her and their two small sons. Can she overcome her angry rejection of him? Augusta believes, whether her husband survives a brutal war or not, that she herself might very well be the cause of her abandonment. Henry Rosenberg s most profound experience in the Civil War stamps his only daughter with the seal of pacifism. Or does it? As the twentieth century dawns, her marriage to John Helden reveals changing attitudes towards love, children, politics and the Great War of 1914. When John Helden Jr. marries Anita Thilman in 1932, social currents and family attitudes again alter political leanings. The transcending reality of a looming second world war plunges a young mother into fear and doubt, and renders an idealistic brother helpless at facing his greatest challenge. In the jubilant aftermath of World War II, John Helden Jr. observes a harshly changed America in which he must fight his own cousin to survive amidst a large but disintegrating family enterprise. As the Vietnam...
