Two secret agents who each possess unique telekinetic gifts--and whose combined sexual powers leave neither of them unscathed. For ex-Navy SEAL Wyatt Kennedy, assigned by the Agency for Covert Rare Operatives to the most treacherous mission of his career, the woman in black leather and lace has just become more than a one-night stand. Because Faith Black is the sole barrier to the success of his mission--and not even Wyatt's legendary seduction skills can penetrate her deep cover. Faith's psychic gifts make her one of the world's most dangerous women--but she hides a secret pain she shares with no one. Until Wyatt. And Faith has an agenda of her own: using her unique powers to save someone close to her--a move that pits her against a man she thought she'd never see again. For as a deadly hurricane is unleashed across the eastern seaboard, desire reignites between Faith and Wyatt, exposing secrets that thrust them both into harm's way. With the hurricane sweeping closer--and their erotic hunger for each other growing--these two wary hearts must come together to heal, to trust . . . and to harness the power of a storm that could consume everything in its path.
