Brand New Book ***** Print on Demand *****.Excerpt from The Birds of Our Country The object of this work is to give to the young collector a book which will not be beyond his means and which at the same time will contain an account of all the birds which he is likely to meet with in the British Isles. Some years ago scholastic work took me to a school on the borders of the New Forest in Hampshire. Natural history pursuits always occupied a prominent place among the recreations of the boys, and many an enjoyable day was spent rambling through the Forest in search of something which might be deemed worthy of a place in our collections, and possibly of a paragraph in a natural history paper to be read at one of our social evenings afterwards. At another time our excursion would be directed through Harewood to Andover, or over the Downs to Salisbury, or we would even run down to Southampton and, crossing the Solent, spend an enjoyable day roaming over part of the beautiful Isle of Wight in pursuit of our favourite hobby. Perhaps no county in England affords such scope to ornithologists as sunny Hampshire. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
