SPOON-FED ADDICTION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Spoon-fed Addiction is a psychological thriller novella driven by Adiran's stream of consciousness rants. Adiran is a sarcastic, nihilistic, yet charismatic young man determined to descend into the darkness that surrounds him. A small time drug dealer by trade, he will give you an intimate view into his mind and life as the night unfolds. Adiran's night begins like any other, full of self-loathing and irreverent observations about the world around him; typical of a person that has grown in an environment of drugs and apathy. A drug deal gone awry sets in motion the chain of events of this particular night. As the night goes on, Adiran's grasp of reality unwillingly slips from him, forcing powerful and painful memories to resurface. Prior to crashing out of his subconscious, they were the reason for his spiral of constant sorrow and discontent. On this night, they fuel his rage and drive him into action. Yet, putting into question his own perception, Adiran glimpses something hidden within the shadows, a supernatural force that may be responsible for the circumstances that lead him on this catastrophic journey. Take a ride into an almost familiar world as dreams become nightmares, lives become failures and flawed perceptions of a reality tainted by things unseen give way to horrible consequences.
