Filesize: 5.14 MB

Reviews

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

Peter Grant, United States, 2013. Paperback. Book Condition: New. 213 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Nineteen-year-old Steve Maxwell just wants to get his feet on the star road to find a better homeworld. By facing down Lotus Tong thugs, he earns an opportunity to become an apprentice on a merchant spaceship, leaving the corruption and crime of Earth behind. Sure, he needs to prove himself to an older, tight-knit crew, but how bad can it be if he keeps his head down and the decks clean? He never counted on the interstellar trade routes having their own problems, from local wars to plagues of pirates - and the jade in his luggage is hotter than a neutron star. Steve s left a world of troubles behind, only to find a galaxy of them ahead. Part Starman Jones , part Citizen Of The Galaxy , Take The Star Road will grab you and drag you through hair-raising adventures in an expanded universe, and not let you go until it s good and done with you. - Sarah A. Hoyt, author of Darkship Thieves.
