Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Market Model Applied to European Common Stocks: Some Empirical Results The stock price literature abounds with applications of the Markowitz [1] Sharpe [15] market model to American stock price data.² There is a lack of corresponding studies for non-american securities, due primarily to the absence of generally available machine readable data bases (see however [13] and The purpose of this paper is to present the results of some initial tests of the market model for a broad cross-section of the European common stocks. Our data base consists of daily price and dividend data for 228 stocks from seven European countries.³ In addition, for comparison purposes we have included a sample of 65 American securities.
