CHOOSING HONOR: AN AMERICAN WOMANS SEARCH FOR GOD, FAMILY AND COUNTRY IN AN AGE OF CORRUPTION

Avail Press. Paperback. Condition: New. 384 pages. Dimensions: 7.0in. x 4.4in. x 0.8in. Choosing Honor presents a spiritual remedy for the dishonor and economic woes plaguing the United States that borrows heavily from Jewish mysticism to present an alternative Christian vision. In this book honor and morality are derived from a set of ten Absolutes, similar to the Kabbalah, a. k. a, The Tree of Life. The author, suggests these Absolutes, guiding principles, be applied not only to individuals but to nations. She calls upon every American to attain messianic consciousness. This takes on especially great importance in the United States, a land ruled by the people, for the people. The author draws conclusions readers might expect from someone long steeped in the political left. The authors economic views, however, are surprisingly conservative or libertarian in origin. The resulting call to action is unusual. Individuals are encouraged to accept their role as the nations destined saviors. Add a heavy sprinkle of pop references from Mr. T to Pink Floyd to the mix and Choosng Honor is an award winning book that provides a curious and uninhibited take on modern politics: an unexpected tonic for what ails the United States and in affect the World. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
