Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Decorative d104iles: An Illustrated Book on Coverings for Furniture, Walls and Floors, Including Damasks, Brocades and Velvets, Tapestries, Laces, Embroideries, Chintzes, Cretones, Drapery and Furniture Trimmings, Wall Papers, Carpets and Rugs, Tooled and Illuminated Leathers* The main text of my book is of course d104ure. The word is Latin for weave, and as might be expected, it is produced most richly on the loom. It is of d104iles the most distinctive quality, and when applied to other materials such as wood, marble and brick, iron, bronze and gold, paint, paper and cement, is merely a borrowed and imita tive term. Consequently, while keeping design and pattern and colour and their historic development constantly before me, I have in every chap ter accentuated the importance of d104ure. I have shown that texture is not only the quality which distinguishes d104iles above other materials, but is also the quality which distinguishes d104iles from one another. It is the quality which distinguishes a damask from a brocade, a plain weave from a twill, a satin from a madras, a velvet from a burlap, a domestic carpet from an Oriental rug. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical...
