FABER FABER, United Kingdom, 2014. Paperback. Condition: New. Export - International ed. Language: English . Brand New Book. Eimear McBride s debut tells, with astonishing insight and in brutal detail, the story of a young woman s relationship with her brother, and the long shadow cast by his childhood brain tumour. Not so much a stream of consciousness, as an unconscious railing against a life that makes little sense, and a shocking and intimate insight into the thoughts, feelings and chaotic sexuality of a vulnerable and isolated protagonist, to read A Girl Is A Half-Formed Thing is to plunge inside its narrator s head, experiencing her world first-hand. This isn t always comfortable - but it is always a revelation. Touching on everything from family violence to sexuality and the personal struggle to remain intact in times of intense trauma, McBride writes with singular intensity, acute sensitivity and mordant wit. A Girl is a Half-formed Thing is moving, funny - and alarming.
