Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discover How to Learn Chinese in Just One Week with This Easy to Learn Method ***** This is a Proven Step by Step Method to Learning Chinese as an English Speaker - +1000 Common Phrases Included ***** As an educator for more than 20 years, I'm a fan of teaching others. And there is no greater challenge than to learn a language. Learning Chinese is such a challenge, but enriching on so many levels. It's not only an intellectual challenge, but imagine transforming your travel experiences, allowing you to connect with new and interesting people, or even live or study in places like Beijing, Shanghai, Hong Kong and Guangzhou! In essence, it's a journey to become more open minded about the world, discovering amazing new people in the process. Learning is not the obsessive command of structures and vocabulary, but the willingness to overcome our most basic fears and insecurities. Over the course of this book, I will convey enough knowledge of Chinese so that you will be able to read, listen, and interact with people in this new language with the knowledge that will inspire confidence. In learning Chinese, you will be facing 5 basic but important challenges; grammar, vocabulary, slang and colloquialism, pronunciation and variations of the language. In this book, I will lay out the fundamentals of each of these stepping stones in an easy to understand method. Imagine reading original masterpieces by Confucius and Zengzi! Imagine heading out to China or Southeast Asia fully equipped to interact with the locals! I invite you to read on and begin a fascinating learning experience. Here is a preview of what you will learn. Basic...
