This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. `Everett cleverly maintains the suspense until the final denouement . a compelling and easily readable tale of our times - Daily Mail Meet the new neighbours. Whose side are you on? When Gav and Lou move into the house next door, Sara spends days plucking up courage to say hello. The neighbours are glamorous, chaotic and just a little eccentric. They make the rest of Sara's street seem dull by comparison. When the hand of friendship is extended, Sara is delighted and flattered. Incredibly, Gav and Lou seem to see something in Sara and Neil that they admire too. In no time at all, the two couples are soulmates, sharing suppers, bottles of red wine and childcare, laughing and trading stories and secrets late into the night in one another's houses. And the more time Sara spends with Gav and Lou, the more she longs to make changes in her own life. But those changes will come at a price. Soon Gav and Lou will be asking things they've no right to ask of their neighbours, with shattering consequences for all of them. Have you met The People at Number 9? A dark and delicious novel about envy, longing and betrayal in the suburbs.
