Bumble s day turns very strange when suddenly he finds he cannot fly. Help arrives from a most unexpected source. He has never been helped like this before . . . This book is part of a series of British wildlife stories for children designed to help them explore the wonders of the wildlife around us right here in the u.k.These are bedtime storybooks that can be read to your child at any age, adults enjoy reading these books to children! Each book stands alone so they can be read in any order. Win a Sue Wild book that hasn t been printed yet visit for details. More about the books I have used photographs, to show that this wildlife exists. It is real and right here in the U.K. It is not always easy to find the exact photograph for the text! For this, I hope you will forgive me. Photographers please see my website! The pages with the blue background are information pages. The green background pages are the story as told by the main character. I have done my best with the facts, but as you know these can change as we learn more about our secretive wildlife. The idea of these books is to start an interest which I hope parents / guardians of our future generations will encourage further.
