MEAN STREETS - LIFE IN THE APARTHEID POLICE (BOOK 3) THE LAUGHS

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Mean Streets Books are about the service years of the author in the South African Police Force - 1985-1991. The Police Force had almost nothing in common with a Sheriff s Department. The policemen were fighting as light mechanized infantry besides being policemen. We dealt with violent crime, counter-terrorism, counter-insurgency and full scale riots on a daily base. It is much more than a biography about policing the mean streets - the books explain how an honourable police force became an instrument of terror. It is a stark warning on what happens when unscrupulous politicians get control of a highly disciplined police force and there is no Bill of Human Rights to stop them from implementing the laws, no matter how unfair it may be. The third book recalls the laughs and the amusing incidents during the Author s time with the South African Police Force. Though not everyone will agree with the policemen s sense of humor, it is fun to read.
