This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

NIGHT OF THE CRASH-TEST DUMMIES

Andrews & McMeel. Paperback. Condition: New. 104 pages. Dimensions: 8.1in. x 5.4in. x 0.4in.AMAZON REVIEW: No one has a sicker, convoluted sense of humor than Gary Larson, and our lives are enriched because of it. His cartoons are bizarre, sadistic and hilarious and give us a new perspective on life, history and how the universe often seems to run sideways. The cartoons in this collection are vintage Larson, some of the funniest material ever put into a single combination of image and text. Larson just does not think outside the box, he twists it into a four-dimensional hypercube. Gary Larson is now retired and no longer writes. His books are at a premium, especially those that are in excellent condition and more so those that are first editions. If you find those, BUY IT! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
