When the revolution in Cuba broke out young Rodriguez joined the insurgents, leaving his father and mother and two sisters at the farm. He was taken, in December of 1896, by a force of the Guardia Civil, the corps d elite of the Spanish army, and defended himself when they tried to capture him, wounding three of them with his machete. He was tried by a military court for bearing arms against the government, and sentenced to be shot by a fusillade some morning before sunrise.

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
