NUTRITION AND YOUR CHILD'S SOUL: DON QUIXOTE'S HEART CRY

Mind-Opening Publications, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever read a book about nutrition that makes you laugh and cry? This one will. Every day, parents are confronted with conflicting opinions about nutrition from many sources. They need basic principles and understanding to guide them in feeding their families. Nutrition and Your Child's Soul: Don Quixote's Heart-Cry provides the necessary foundation in a new and clear way. It is one of those books that make the reader say, Ah, I never thought about it that way before. In addition to bringing to light cutting-edge nutritional information, Nutrition and Your Child's Soul: Don Quixote's Heart-Cry sometimes reads like a novel, sometimes like a child advocacy plea, and sometimes like inspirational literature. It is a new voice for parents who want the best for their children, facing a world drunk with commercial interests, a world in which the power and importance of nutrition is underestimated even among the most honest and caring practitioners. To heal children's souls, this book is directed to the souls of their parents, and to health professionals ready for some out-of-the-box thinking. If Don Quixote would ride onto the scene today, he would gallop across the fields with no regard for his personal safety or reputation, tilting at the modern windmills of the medical and commercial establishments, which have their own priorities. Only parents truly have the interests of their loved ones at the top of their list. This book will give them tools of understanding, and inspiration to stand up for their children, to feed them properly, to see them in a new light and to think creatively about their potential. An old story is...
