Romancing the Voters, Don t Be Honeyfuggled by Fred Schnaubelt is one of the clearest, most concise little books I ve ever read on the workings of our government. Fred explains each issue we face so well with just a few words. I believe it should be in the hands of every citizen prior to our next election. This would also be a helpful little guide for all college age students as they prepare to cast their first votes. Answers and insight required thousands of hours of research, ever since I was 21 and first registered to vote. I need your help in emailing your comments about my book...
