

Remembering Whitney: A Mother's Story of Life, Loss and the Night the Music Stopped

Filesize: 6.25 MB

Reviews

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom. It's been designed in an exceedingly simple way and is particularly simply following. I finished reading this publication through which actually modified me, altered the way I really believe.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Remembering Whitney: A Mother's Story of Life, Loss and the Night the Music Stopped, Cissy Houston, The definitive account of Whitney Houston's astonishing life, ground-breaking career and tragic death - complete with never-before-seen photographs - from the only one who truly knows the story behind the headlines: her mother, Cissy Houston. Cissy has said little publicly about Whitney's heart-breaking death. Now, for the first time, she opens up and shares the unbelievable story of her daughter's life, as well as her own, and addresses Whitney's brightest and darkest moments. A legendary Grammy Award-winning gospel singer in her own right, Cissy Houston shows how the lessons from her own musical journey helped to shape Whitney's career - from teaching Whitney to use her voice, to keeping her level-headed throughout her meteoric rise to fame. With candour and respect, she sets the record straight about Whitney, exploring both her turbulent marriage and her misunderstood struggles with drug abuse. Cissy goes behind the tabloid headlines to show fans around the world the true, human side of a strong, successful - yet flawed - musical icon who died much too young. Includes a Foreword by Dionne Warwick.
