Andrews McMeel Publishing, United States, 2012. Paperback. Book Condition: New. Original ed.. 228 x 212 mm. Language: English . Brand New Book. AMPa's Dilbert calendars are the best-selling calendars in the world, with sales over 400,000 every year. Pointless projects, endless meetings, and random downsizing make up the Dilbert world. He's the icon of millions of corporate workers, the most popular cubicle dweller on this planet. He spends his days in endless meetings with incompetent supervisors, performing perfunctory tasks mixed with the occasional team-building, brainstorming, or management fad-of-the-day session. He has entertained us for more than two decades: He's Dilbert. Created in 1989 by Adams, in his own cubicle as a doodle distraction, Dilbert has found a home in the workplace, this generation's home away from home. Adams amuses readers with his portrayal of the absurdities of this environment with unfailing accuracy and precision. As readers of more than 2,000 newspapers, millions of books, and the newly revamped site know, the familiar mouthless character with the upturned tie, his dog, Dogbert, the pointy-haired Boss, over-achieving Alice and underachieving Wally, Human Resources director Catbert, depict a world that's all too easy to recognize, complete with shrinking cubicles, clueless co-workers, focus groups and ill-conceived management concepts. In this all-new chronological collection, Adams further exploits the fodder of workaday life, making even the most cynical cubicle dweller laugh at our shared, absurd work lives.
