The Architectural History of the City of Rome: For the Use of Students (Classic Reprint) (Paperback)

By John Henry Parker

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Architectural History of the City of Rome: For the Use of Students The contents of these pages are little else than a condensation of the large works on Roman Archaeology by Mr. J. H. Parker of Oxford, who has lately received from the Italian authorities a high recognition of his services in restoring the true history of the City of Rome. And this abridgment of his book is undertaken at his desire, simply to put before readers, in small compass, the elementary information necessary for understanding the history of the rise and progress of the great City on the Seven Hills. At the same time, it is well to state that the compiler has passed some seasons in Rome, and is satisfied from personal knowledge of the truth of the principles here applied to the very early history of the material growth of the place. The Plates were necessarily prepared under my direction. They are chiefly taken from photographs, but photographs alone can only shew the exterior of any Object, whereas plans and sections are quite necessary...
