Ascension Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. From Genesis we know that God created men and women in His image and likeness, and from the first letter of John that God is love. Therefore men and women are made in the image and likeness of Love. This isn't hard to see. Look at the design of the male and female bodies. They are made for each other. In fact, neither makes complete sense apart from the other. The man's body is made for a woman's body - made to be a life-giving gift to her; her body reveals his calling - and vice versa. In this book - which utilizes a dynamic, flip book design to be two books in one well-known chastity speaker and author Jason Evert unpacks the mystery of what it means to be male and female in light of the Theology of the Body in a language teenagers understand. Teens will learn about the profound realities to which their bodies point - and how to live chastely and lovingly towards those of the opposite sex.
