## SUPERSONIC FLOW AND SHOCK WAVES (PAPERBACK)

Springer-Verlag New York Inc., United States, 2012. Paperback Condition: New. Language: English. Brand New Book. Courant and Friedrichs classical treatise was first published in 1948 and the basic research for it took place during World War II. However, many aspects make the book just as interesting as a text and a reference today. It treats the dynamics of compressible fluids in mathematical form, and attempts to present a systematic theory of nonlinear wave propagation, particularly in relation to...

### Reviews

*Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication I have got read. Its been printed in an exceedingly basic way in fact it is simply after I finished reading through this publication where in fact changed me, change the way I believe.*

-- **Arielle Ledner**

*A fresh eBook with a brand new standpoint. It can be really exciting through looking at period of time. I am delighted to inform you that this is the greatest book I have read through during my individual existence and may be the very best publication for ever.*

-- **Era Thompson**
