Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).
(Santina Sanford)

THE OMEGAN, VOL. 11: THETA UPSILON OMEGA; MARCH 1934 (CLASSIC REPRINT) (PAPERBACK)

FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Omegan, Vol. 11: Theta Upsilon Omega; March 1934 Ten years ago, Theta Upsilon Omega was born in a manner unprecedented in fraternity history. The histories of most national fraternities reveal that they began with one chapter; some with no intentions of expanding, and others with ambitions from the start. Some of the latter were unsuccessful in seeking affiliation with an established national fraternity, and in a pique founded one of their own. Thus we find that there was a gradual growth of the fraternity idea over a period of about one hundred years. It was restricted during much of this period by faculty regulation, state laws and public opinion. In spite of this, fraternities grew and a more tolerant attitude toward them, dating from about the beginning of this century, resulted in a large but orderly growth, both in the number of national fraternities and in their size. At the end of the World War, there were some sixty or sixty-five national fraternities. When the war was over, there was a rush to the colleges and universities. Men who had interrupted their education to take up arms returned, slightly disabled veterans enrolled in great numbers with their tuition and all expenses paid by the government, and the sons and daughters of people who had profited by wartime prices provided an additional huge increment to the registration rolls. The result was that college facilities were taxed to the utmost and dormitory accommodations were, everywhere inadequate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
