Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Real Bearings of the West India Question: As Expounded by the Most Intelligent and Independent Free-Trader of the Day My Lord, I Take the liberty of dedicating to you this reprint of a series of admirable articles on the West Indian Question, which have appeared in the columns of the Times during the last few months. They present such an able and at the same time impartial summary of the past and present conduct of the British Legislature towards her unfortunate sugar colonies, that I feel confident their republication in this convenient form will be acceptable to all honest men, whatever their politics may be, who take an interest in this important national question - either from motives of philanthropy, honour, or gain.
