The Wrong Child

By Barry Gornell

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Twenty-two of the 23 children in a rural village die in a disaster. By chance, the wrong child, Dog Evans, lives. Crippled with survivor's guilt, his parents abandon Evans to a feral life at the margins. He is shunned by those left behind, for whom his presence is a daily insult, a reminder of unbearable loss. As the action moves from past to present and back, we learn what took place and its shocking consequences for both Dog Evans and the wider community. Gornell's forensic gaze dissects the lives of the bereaved, fractured relationships and existences frozen the day their children died. Deborah Cutter, separated from her husband, John, numbs her pain with alcohol and sex. Local postman Nugget holds tight to the hope that the Evans house contains valuable secrets. Parish priest Father Wittin is an embarrassing irrelevance. As grief turns to rage, the villagers' insatiable desire for catharsis, one final blood sacrifice, becomes unstoppable. The master of rural noir, Barry Gornell has created a mesmerising, heartbreaking examination of rural life with a remarkable note of hope within the darkness.
