They bring them home and store them in that universal receptacle, the Tackle-box. Some boys, like myself, never outgrow the habit. One day a friend observed that my Tackle-box was full and suggested that a selection be given to the public. Most of this booty I gathered in the woods myself, but an Indian gave me fragments of The Recipe and Gitch-e O-kok-o-hoo, and a Chinaman told me where to find The Frog in the Well.
