

Cardiology: A Practical Handbook (Paperback)

Filesize: 3.59 MB

Reviews

A superior quality ebook and also the font used was interesting to read through. This is for all who statte there was not a well worth reading. I discovered this publication from my dad and i encouraged this pdf to learn.

CARDIOLOGY: A PRACTICAL HANDBOOK (PAPERBACK)

[DOWNLOAD](#)

Taylor Francis Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. There has been an exponential increase in the amount of information available on the pathophysiology and management of heart diseases. Meanwhile, understanding of the underlying pathology and physiology has deepened and broadened with new methodologies to monitor cardiac structure and function. These developments have led to an overwhelming amount of information available to students, trainees, and physicians. What is in short supply is a comprehensive yet concise and clear description of the important cardiac conditions and disorders, an approach to their management, and an easily consulted and well-indexed summary to be used at the bedside or in the clinic. This book addresses that need.
