This pdf is definitely worth getting. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

FATHER NIGHT

Head of Zeus. Paperback. Book Condition: new. BRAND NEW, Father Night, Eric van Lustbader, A new president. A new life. Orphan Alli Carson has taken up a post at Fearington, the elite covert training school. Now she fears that the people who worked relentlessly to undermine her father - ultimately causing his death - are targeting her too. Meanwhile, Washington's top agent, Jack McClure, is being threatened by one of Russia's most fearsome assassins. But is this the work of his lover's criminal family, or an attempt to remove him before the American government can call upon him for aid? All paths collide at the feet of one man, an old legend adapting to an ever-changing landscape. A man who was lost in the records of Nazism's worst atrocities, but whose heinous cause is still very much alive. A man code-named Father Night.
