Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hazelden Information & Educational Services. Hardback. Book Condition: new. BRAND NEW, Navigating Grace: A Solo Voyage of Survival and Redemption, Jeff Jay, Jeff Jay's recent life was full of tragedy: his marriage had ended, his father had passed away, his brother had committed suicide, and Jeff's own alcoholism had taken him to the edge of death. At the threshold of self-destruction, Jeff set out on a solo escape by sea on an old sloop named Lifeboat. It ultimately became a journey of personal transformation. He cast off in Annapolis, Maryland with an eye toward the Caribbean. Finally able to breathe, Jeff relaxed into his first day sailing the Atlantic when a dark winter storm descended, tossing him into a week-long fight for survival on the open sea. As he faced the realization that only divine intervention could deliver him from certain death, Jeff desperately called on the deity that had intervened in the darkest hours of his addiction years earlier. An intensely personal testimony to calling on the power of grace in our darkest hours, Jeff's is a beautifully written tale of far-fetched dreams, desperate prayers, and those miraculous moments that change our lives forever.
