

The Art of the Samurai: Disciplined Natural Growth

By Ken Anderson

Outskirts Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In a natural state there is never a moment a human being is not growing. There is never a moment when a human being is not learning, whether the individual realizes it or not. Yet, in affluent contemporary American society human beings remain stagnant and unable to evolve. The human experience or what we refer to as life has become a pestilence for some and a hell for others. Even given modern technology in the information age, many are spiritually and emotionally illiterate. Binging from the buffet of technological advances and enlightenment does not provide nourishment for the spirit or enable people to think independently. Even in a country with all the amenities one could imagine at their fingertips, many have no idea how to live meaningful and effective lives. In our culture people are treated as commodities and this compels people to view themselves as marketable objects and programmed beings. The human experience is in overdrive; in the chaotic stressful chase for money, power and influence dictated by the corporate marketplace, many people begin to...

Reviews

I just started looking over this ebook. I could possibly comprehend everything out of this published e publication. You are going to like the way the author compose this publication.

-- **Giles Vandervort DDS**

Undoubtedly, this is the best function by any writer. This really is for those who state there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
