Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The 3rd installment of Twisted Story Asylum, like its predecessors has plenty of madness and mayhem to go around. This Book is extremely funny yet extraordinarily offensive Viewer/READER DISCRETION IS ABSOLUTELY MANDATORY!!!! The themes are similar to the first two, you know the usual toilet humor, racist humor, misogynistic humor, violence/gore, vile sexual themes, ridicule of homos, the unfortunate, historical/important figures/events, gratuitous profanity, religious blasphemy, and much more. Stories range from necrophiliacs frantically pulling out to renew the registration on their car at an all too ominous devil worshipping motor vehicle department, drunken clowns ordering burgers in the same restaurant in which they intentionally killed several people with an automobile drive thru style (literally driving through the building), space aliens doing on the house abortions to make pies for their homies out in space, and a whole lot more bizarre and offensive comedy tales. Much like the first two, it is not for those with a weak stomach, it is for those who enjoy the dark side of humor in every aspect imaginable and either laugh hysterically or at least appreciate an alternative type of art/entertainment that is among the far and few between. This book could very well rock your socks or seek intensive therapy, its that extreme, you got your disclaimer and synopsis, now either read and enjoy, or ye be gone!.
