This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WestBow Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In ?Walking with the Master?, John reveals Jesus through His teachings and His conversations with the people around Him. Jesus consistently points towards a reality that extends far beyond what we can see, touch, feel, or even imagine; a reality that reaches unto eternity. He poses the questions: What is our world view? How are we investing our lives? Are we part of the world that says we only live once, so enjoy it? Or do we believe that there is more, much more? Jesus, the author of life itself, came to prove to us by word and deed that there is more to life than is apparent to the senses. He implores us to make an informed choice: a choice to believe, a choice to follow Him. Within these lessons, we will come to understand who Jesus is and why John described Him as the Word become Flesh. We will see Jesus talking to Nicodemus as He explains the awesome mystery of salvation. Jesus will reveal how He is the Bread of Life and the Good Shepherd. He will miraculously prove that He is the Resurrection and the Life. As the True Vine He calls us to committed discipleship and to a life and purpose that we cannot achieve in our own strength. He invites us to a personal relationship with Himself, now and forever.
