Friesenpress, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Engineering, at it s core, seeks to leverage a deeper understanding of God s physical creation for some useful purpose. Penned by Dr. Kenneth Johnson, those words reflect the unwavering commitment of a Renaissance man whose life was committed to serving Christ and bringing hope to those in need. Dr. Kenneth Johnson left significantly more than a tragedy behind him when he left this world in November 2013 at the age of 43. In the words of Dr. John C. Bowling, President of Olivet Nazarene University (O.N.U.), Ken was deeply faithdriven and a tremendous professor who inspired greatness from his students and everyone around him. He was respected and loved by all who knew him. Dr. Johnson cooperated with God s direction in his adventures, and as a result God was able to use him He was selfless, willing to serve, loving, wise, passionate, extremely fun and a radiant of Christ. His infectious personality inspired others to believe in themselves. The ultimate mark that Dr Johnson was and will always be unforgettable for is by the measure he is missed. On his journey, his song was one of joy and purpose. This fascinating book details the journey of Ken the Missioner, a Man Worth Knowing (family man, missions trip leader, CEO, Marine, etc.). The question we pose is What Will Your Legacy Be.
