He brings to vivid life the decades of struggle, organizing, and debate, as blacks in the United States looked to Africa for identity and South Africans looked to America for new ideas and hope. The book traces the rise of Communist influence in black movements in the two nations in the 1920s and 30s, and the adoption of Gandhian nonviolent protest after World War II. The story of India's struggle, however, was not to be repeated...
