Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Churchill's Bunker: The Secret Headquarters at the Heart of Britain's Victory, Richard Holmes, 'This is the room from which I will direct the war,' Churchill declared, shortly after becoming Prime Minister in 1940. It was from these cramped confines that Churchill turned a seemingly inevitable defeat at the hands of the Nazis into a famous victory. Built in 1938 as a temporary refuge in case of air raid attack, this secret bunker became a second home to Churchill - and to large numbers of military personnel and civil servants whose work until now has been largely unsung. Drawing on a fascinating range of original material, including newly available first-hand accounts of the people who lived there, Holmes reveals how and why the bunker and its war machine developed; how the inhabitants' lives were transformed; and how their work led to victory. Elegant and illuminating, Churchill's Bunker is a unique exploration of one of the most important sites in British history.
