This item is printed on demand - Print on Demand Neuware - Essay from the year 2007 in the subject English Language and Literature Studies - Linguistics, grade: 2,7, Free University of Berlin (Institut für Englische Philologie), course: History and Variation of English II, language: English, abstract: The question about the grammaticalization process of the modal auxiliary verbs from Old English to Modern English is a highly discussed topic among linguistics and scholars today. It is undisputed that, in the English that is spoken today, words like 'should', 'could' etc. form a separate category, or rather a subcategory, 'modal' that does not only syntactically differ from the usual English verbs, but also morphologically. That is, of course with the exception of a few regional variations such as for example Scots, but since the main focus of this paper is on the standard British and American English dialects, those regional non-standard dialects will not be taken into consideration here. For every native and average non-native speaker, it is natural that modals like 'will' for example don't take the obligatory inflectional ending -s in third person singular present. Or that...
